20-30, St. Louis Weekend Victors In City Hoop Play

Wolverines Drop Two As Record of Losses Is Unbroken

Last Thursday night, the 20-30 Club defeated the Tel-Cos 45 to 39 in the second round opener of City League play. Ken Gordon was top man for the winners with 22 points. For the losers, Dale Freeland was high with 18.

In the second game, the St. Louis Cafe edged the Donner Club 55 to 50 in the first overtime game played this season. The first quarter ended with the cafe team on top 8 to 6. In the second period the barmen came back to tie the score at 21 all as the half ended. In the next two periods, the teams were never separated by more than two points. The third quarter score being 35 all and the game ending in a 46 to 46 tie. In the five minute extra period, the cafe team could not be stopped as they out-scored the clubmen by five points. Jack White took game scoring honors while Andy Garcia was high for for the St. Louis team with 20 points the Donner Club with 16.

In the early game last Monday night, the American Legion team downed the Lions Club 57 to 48. Al Wakefield of the Legion team and Jim Brehler of the Lions Club shared game scoring honors for the night with each scoring 32 points.

In the late game, the 20-30 Club took over first place in City Loop standings by dumping the St. Louis Cafe 53 to 46. Both Ken Gordon of the service club and Mike O'Rourke of the cafe team were high for the game with each having 20 points to his credit for the night.

Tonight at 7 p.m., the American Legion will take on the Tel-Cos in the only league game scheduled. The second game scheduled has been canceled because most of the City League players desire to see the movie "Go Man Go," featuring the Harlem Globetrotters which is playing at the Donner Theater.

Next Monday night, the Lions Club will tangle with the Donner Club in the 7 o'clock opener and in the nightcap, the St. Louis Cafe five will be looking for an upset win over the American Legion team.

League Standings

Team—	W.	L.	Pct.
20-30 Club	6	1	.857
American Legion	5	1	.833
Donner Club	3	3	.500
St. Louis Cafe	3	4	.428
Lions Club	2	4	.333
Tel-Cos	0	6	.000

The Tahoe-Truckee Wolverines again failed to break into the win column last weekend in their two conference encounters. Friday night they fell before the Tigers of Douglas High, 59 to 35 and lost to the Stewart Braves Saturday by a score of 63 to 43.

The Wolverines played both games without the services of two of the regulars, Aaron Thomas and Bill McClain who were sidelined because of injuries. The Douglas squad led throughout the Friday tilt by quarter scores of 13 to 8, 33 to 12 and 46 to 27. Mike Vieu, playing one of his best games of

Truckee Youth Hurt In Mystery Assault

Joseph Copeland, Truckee, is nursing a severely lacerated scalp and his right ear was nearly ripped off as the result of an encounter with an unnamed assailant on Donner Summit last Friday morning.

Waters said no complaint was filed. Copeland was taken to the Tahoe Forest Hospital for treatment and efforts, Waters said, are being made to identify the assailant.

Grant Lowry Named As Zellerbach Representative

Customers of Zellerbach Paper Company in this area will be pleased at an announcement by L. J. Doherty, Sacramento division manager for the company, that Grant Lowry, former paper products salesman and currently operating a trailer court at Kings Beach, has been named to represent the company in this region.

Lowry's territory will include Truckee, all of Lake Tahoe and the Donner Summit district as far west as Colfax. He will maintain an office at his home to provide fast local service.

PTA TO MEET

Founders Day will be observed by members of the Truckee Elementary Parents and Teachers Association with an appropriate program on February 14.

Mr. and Mrs. Eugene Metteer and son, Don, of Sacramento were weekend guests of Mr. and Mrs. Jim Thomas and Aaron Thomas.

Fish Planting To Be Discussed At Sportsmen's Meet

Robert D. Montgomery, region manager of Region 2, department of fish and game, will head a delegation to Truckee next Thursday to attend a meeting of the Truckee Outdoor Sportsmen at Capitol Hall for the purpose of discussing future plans for fishing and hunting in this area.

Charles Osburn, president of the club, will preside at the meeting and one of the principal topics will be the planting program by the department in this district. Osburn said he has been assured the plant this season will exceed that of last, but to what extent he did not know.

A large turnout of sportsmen is being urged to show the interest of local people in the department's program.

Other matters pertaining to hunting and fishing will be open for discussion, Osburn said, among them stream flow, check dams, season suggestions, limits and other matters.

Reject Offer

At the meeting last Thursday, the organization rejected the offer of J. E. Joerger, local and Folsom cattleman, to take over all the land he controls south of Truckee for a hunting range at a fee of 15 cents an acre. Local sportsmen frowned on the plan which, they said, would not only prove too costly for the small club but which would limit open hunting in an area where all legal sportsmen have been made welcome.

Jerry DeRoth, formerly with the Sagehen project, showed films of the salmon run in Alaskan waters and refreshments concluded the evening's program.

Christian Science Lecture Will Be Held At Reno

The First Church of Christ, Scientist of Reno, Nevada will present a free lecture on Christian Science in the church edifice on Sunday afternoon at 3 p.m., February 13.

The lecturer will be Arch Bailey, C.S., of Sacramento, member of the Board of Lectureship of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass. The subject will be "The Joyous Way of Love."

Colorado Man Named To Teach School Music

James Pringle, a graduate of the University of Colorado, Los Angeles, has been appointed to teach instrumental and vocal music in the Tahoe-Truckee High School for the remainder of the school year. Pringle began work on Tuesday, February 1. Pringle replaces David Kriedt who resigned to accept a position as composer with Stan Kenton's orchestra.

ROTARY CLUB TO SELECT OFFICERS

Election of officers will be held by the Rotary Club of Monday evening, February 14, it was announced at the business meeting held Monday evening in Brown's Cafe at which John Richards presided.

An invitation has been sent to the Rotary Clubs of Brockway, Tahoe City and Loyalton to join the local club on Monday evening. February 28 at 7 p.m. in Donner Lake Lodge.

THEATER PARTY GIVEN

Mr. and Mrs. David Rose entertained at a dinner in honor of the ninth birth date of thier daughter, Pamela, on Monday evening. After gifts were opened the school friends sharing the event attended the Donner Theater.

GOES TO JAIL

Otto H. Konola, 48, transient, was sentenced to serve 30 days in jail following his second conviction in the past two weeks on a drunk charge. He was arrested by Deputy Sheriff Roy Waters and appeared before Judge F. W. Wilson.

At Home—

Mrs. Reg Smart returned to her home this week following treatment in Tahoe Forest Hospital.

State Acquires More Land For Two Local Parks

354 Acres Added To Park At Donner; Emerald Bay Increased

The Rupley property, locally known as the Sawmill property, has been acquired as an addition to Donner Memorial State Park, it has been announced by Newton B. Drury, chief of the division of beaches and parks in Sacramento.

The eight acres included in this property are bounded on the west by Donner Lake, on the north by a line parallel to Highway 40, on the east by the South Shore Drive and on the south by State Park property. With this addition, the acreage of Donner Memorial State Park has been expanded to 354; the valuation increased to $326,000.

This area is open to public daytime use only as no facilities have been installed that will permit camping, picnicking or kindling fires. Rangers from Donner Memorial State Park will patrol this park addition to prevent misuse of the property that might result in destructive fires or marring the natural beauty of this lake-side recreational area.

SACRAMENTO (CNS)—The California Park Commission has allocated $8000 for purchase of 37 additional acres east of the present resort at Emerald Bay State Park, Lake Tahoe.

The commission said purchase of the parcel of Ethel M. Cox property will complete the state's acquisition program at Emerald Bay.

TRUCKEE MAN IS HURT IN MISHAP

Claude Harrison, well known Truckee lumber worker, has been transferred from the Susanville hospital to St. Mary's at Reno for treatment for a broken arm, several broken ribs, chest and back injuries, resulting from an automobile accident Monday while he was en route to Alturas.

The vehicle hit an icy spot on a curve, went out of control and after barely missing plunging into a 30-foot cut, crashed into a tree. Harrison was pinned under the car for two or three hourse before being rescued.

Although his condition was described as serious when taken to the hospital, he was showing improvement today.

Annual Winter Ball Slated By Local Club

Plans have been completed by the Truckee Athletic Club for the first annual Winter Ball to be held Saturday, February 12 at Capitol Hall. Al Cavallo is chairman of the committee in charge and reports advance ticket sales indicate a large crowd will be present to enjoy the affair.

A four piece modern dance band will provide the music. The club needs a light piano and would like to rent one for the evening. Anyone knowing of such an instrument is asked by Cavallo to call 447.

Thomas Jordans Are Feted At Reception

Mr. and Mrs. Thomas D. Jordan who were recently married at Reno, were complimented at a reception given last week by the Misses Lynette Young, Virginia Reynolds, Alberta Cooper, Marv Ann Tonini as hostesses of the affair in the home of Mr. and Mrs Elden Tonini.

The newlyweds received the felicitations of friends and were presented with gifts for their home which they have established in Reno.

The bride is the former Sharon Reynolds, daughter of Mr. and Mrs. B. W. Reynolds of Truckee. She has been a popular member of the younger set here while attending school. Mrs. Jordan has been going to the University of Nevada has taken active part in the many college programs and won recognition as an accomplished horsewoman.

Jordan, also a University student, is a former resident of Las Vegas.

SUNBEAMS

By WALTER M. BARRETT

It is quite important that this district get behind a current promotional drive to bring the 1960 Olympic winter games to this region. There is a good possibility that the Squaw Valley bid for the games will be met with favor next June and if chosen, then the entire area must start its planning and preparations. Truckee, Lake Tahoe and the Donner Summit area have been brought into the spot light with the world watching. Facilities must be provided and the stage set for the reception of thousands of visitors. Regardless, however, of whether this region is chosen for the games, the publicity which is resulting from its selection by the United States committee is of terrific value, bringing attention to the fact that here we have one of the best winter sports areas in the entire world. We should take full advantage of this recognition and be alert to our potential.

FIRE DEPARTMENT PLANS TO BUILD NEW GARAGE HERE

Members of the Truckee Volunteer Fire Department will build the necessary addition to the fire station here to house the newly acquired equipment, depending upon volunteer labor and benefit affairs for its financing.

This was decided at the meeting of 26 members of the department at a dinner held Tuesday night at Cozzi's Cafe, presided over by Chief N. F. Dolley.

Dolley said the present station will be enlarged to accommodate three trucks, the two fire trucks and the rescue unit.

Announcement will be made in the near future of the first benefit event designed to finance materials.

Firemen will gather at Coffey's garage at 7:30 tonight for instructions in operating the new truck which arrived Sunday and which has won the admiration of all who have viewed it.

Only One Engineer Remains Here For S.P.

George Kamp, veteran Truckee S.P. engineer, employed for many years on helper service here, has gone to Roseville to work after helper engines were pulled out of Truckee The only engineer left here is Edward Meiss and doubts are held that his situation will be kept open for long

An announcement is expected from the company in the near future relative to plans for discontinuing local operation, including abandonment of the roundhouse, hotel and other local facilities.

Delegation Attends School Board Meet

A representative delegation of residents from Tahoe City and Kings Beach Tuesday night attended a meeting of the governing board of the Tahoe Truckee Unified School District to discuss potential plans for the future of the district. Emphasis was placed on the need for developing the facilities to meet the growing demands of an increasing population.

Judy Giovannoni Heads Local Girl Scout Troop

Judy Giovannoni was elected chairman Tuesday of Donner Troop Girl Scouts, Dorette Rose was named secretary, Steffi Cozzi was given the office of treasurer.

Lois Freeman was presented with her one-year pin and flag ceremonies were practiced by the troop.

Valentine gifts made by the girls are a current activity. During the past meeting the members and guests enjoyed a luncheon prepared and served by them. The afternoon concluded with folk dancing.

Bay District Ski Federation Will Hold Affair Here

Truckee Chamber Aiding In Preparing For Program

Approximately 400 members of the Bay Area Ski Federation, an organization comprising 22 clubs, are expected to attend the annual Snow Carnival to be held at the Veterans Memorial hall here Saturday and Sunday, March 5 and 6.

Preparations for the reception of the group are being handled by the chamber of commerce under the direction of President Hal Welch.

The affair will start at 8 p.m. Saturday evening with each of the 22 clubs presenting a skit for which prizes will be awarded. Dancing will be enjoyed and a promising program has been arranged under the direction of Miss Catherine Hardin, the entertainment chairman.

Sunday the federation will hold its annual downhill competition at Donner Ski Ranch.

The public is invited to the carnival where a small charge will be made for admission.

Warmest, Coldest Days Of Winter, Reported Here During Past Week

During the past week, Truckee experienced its warmest and coldest days of the winter and for the first time in several weeks no precipitation was recorded.

Henry Toccalini of the U. S. Forest Service, who keeps the records, reports the temperature went to a high of 49 degrees Tuesday and dropped to a low of 10 below last Friday.

To date, since September 1, the Truckee area had had only 13.62 inches of precipitation. This compares with a normal of 19.43 inches for the end of February. There were 27 inches of hard packed snow on the ground at the forest service headquarters this morning.

Fishing At Tahoe Is Explained By Warden

Game Warden Irving Single has called attention to a misunderstanding among sportsmen regarding the year-round opening of the Nevada waters of Lake Tahoe for fishermen.

Single said that California fishermen need not secure a Nevada license if they are fishing from boats on the Nevada portion of the lake, this being cared for through a reciprocal agreement between the two states.

However, he pointed out, fishing from the shore of the lake on the Nevada side demands a Nevada license.

It is anticipated that California, too, will open its waters of Lake Tahoe to year-around fishing in the near future.

Russell Yorks Parents Of Infant Daughter

Donna Kim joined the family of Mr. and Mrs. Russell York on her arrival at Tahoe Forest Hospital Wednesday, February 9. The little girl weighed 6 pounds 5 ounces at birth. Dr. George Hahn was the attending physician.

John McGlades Welcome Baby Son At Hospital

Mr. and Mrs. John McGlade welcomed a son at Tahoe Forest Hospital, Thursday, February 3. Michael Kavin weighed 8 pounds 2½ ounces on arrival. McGlade is hospital administrator.

Dr. George Hahn was the attending physician.

Mrs. A. L. Davidson, maternal grandmother, is visiting the family from her home at Roseville.

Mrs. Oscar Schumacher returned last week from a trip of more than a month when she visited friends and relatives in southern California and later went to their place in Paradise.

Local Highway Is Selected On U. S. Strategic Program

Highway 40 has been designated a strategic link in the federal highway system in President Eisenhauser's ten year $101 billion highway program. The president's advisory committee on a national highway program has set forth the proposal which would increase the proportion of federal aid for strategic routes.

A major portion of the federal monies for the program would come from bonds issued by a federal highway corporation to be authorized by congress.

Highway 40 is currently the subject of legislation introduced in congress by Senator Thomas Kuchel of California and Congressman Clair Engle of the 2nd District, which would equally match federal aid state funds of $40 million on a five year program.

The bills currently before congress may be subject to amendment to clarify the status of the matching money voted by the legislature of the state at the 1954 session on legislation introduced by State Senator Harold T. Johnson of Roseville.

State Employe Hurt As Pickup Hit By Truck On Summit

Lyle Wescoatt, 32 mechanic for the division of highways at Truckee and resident of Gateway Park, is recovering from head injuries received last Thursday in an auto crash at Soda Springs.

Wescoatt was traveling west when three skiiers walking on the highway blocked his progress. He came to a virtual standstill and a big cattle truck, operated by Robert Ernaut, 25, Elko, crashed into the rear of the pickup, knocking it into the snowbank and hurling the driver out.

Wescoatt was taken to the Tahoe Forest Hospital for treatment. Ernaut was cited for speeding and not having his vehicle under control.

George Love, 56, Sacramento, escaped injury when he drove his car into a rotary snow plow near the Donner Trail school last Thursday. The plow was operating and the following car drove into the mist without seeing the vehicle.

Patrolman William Gautsche investigated both mishaps.

Russell Announces Station Opening Here

Lauren Russell, former foreman at Osburn's Buick Garage, this week announced he has readied his service station at the Tahoe Truckee Wye where a complete automotive service is available. He said that he will specialize in tuneup and brake service and invited his friends to call at Russ Texaco Station.

Gene Marshall, formerly with a Seattle Buick agency, has replaced Russell as foreman at Osburn's Garage. He and his wife and small son have rented one of the Dolley apartments.

High School PTA Will Hold Program Tonight

The high school PTA will meet on Thursday, February 10 at 7:30 in the cafeteria of the Tahoe-Truckee High School. The annual Founder's Day program which is customarily held during the month of February is under the direction of the co-chairmanship of Mrs. Jerry Little of Kings Beach, and Mrs. Earl Smith, Jr. of Truckee.

The nominating committee, consisting of Mrs. Walter Loynd of Truckee, Mrs. Asa Abbott of Kings Beach, and Conrad Briner, will report their nominations for officers for the PTA for the next school year.

APPLES SPILL

A truck loaded with apples upset on Donner grade last Monday morning and officers of the California Highway Patrol are attempting to learn whose truck it was, who was driving and other details which are still unknown to the authorites here, they report.

Utility District To Delay Land Sale Pending Decision

Board Refuses To Allow Exclusive Hunting On Property

Directors of the Truckee Public Utility District at their meeting Tuesday decided to withhold all action on a proposal to sell land adjacent to the present Tahoe-Truckee High School plant pending the decision in June on the location of the 1960 Olympic winter games.

The school district had asked the utility board to set a price on the land which, they said, is desired for the purpose of erecting a school building to relieve congestion in the Truckee elementary school.

While no definite plans have been made for the location of various Olympic facilities, aside from those which are, or will be, made available at Squaw Valley, the site selected by the United States Olympic committee, the utility board members felt that this particular area would provide an ideal site for one of the required ice rinks.

This approach has been made to the board by a number of local winter sports promoters who expressed the hope that some use could be made of the large piece of property which could be made available without difficulty and which is located ideally from a standpoint of accessibility and which provides ample parking space.

Since the decision on where the games will be held will not be made until June, the board decided to table the school's request until that time, C. Edmunds, district manager said.

No Bus Action

Officials of the Virginia and Truckee Bus company have asked to be permitted to discuss with the board the proposal that a shuttle bus service be inaugurated between Truckee and Donner Summit.

This followed a petition presented to the board recently asking that a study be made of the feasibility of such a service during winter months to relieve the congested parking at times in the winter sports district of the summit.

The bus company was invited to present its plan to the board.

Reject Offer

The board Tuesday decided against a suggestion by J. E. Joerger, Truckee and Folsom stockman, that the district include 160 acres of land which he has leased from the district, in a hunting club reserve.

Board members E. L. Loynd and C. R. Heller expressed themselves as being opposed to such action since it would involve public owned property. They also unofficially voiced opposition to the club plan since it would exclude many hunters from property which has for many years been used by everyone.

Free Valentine Show At Donner Saturday

Manager Jack Neugebauer of the Donner Theater announces plans are complete for staging the free Valentine matinee at 1 p.m. Saturday for all the children of the area. The affair is sponsored jointly by Neugebauer and Hal Welch of St. Louis Cafe.

A series of cartoons, an animal picture and Valentine candy for all the youngsters attending is on the program.

The success of the show may determine whether or not a Saturday matinee will be a regular feature, Neugebauer said.

Motor Vehicles Office Now Open Two Days

Glenn Freeman in charge of the department of motor vehicles office here, said this week that the office will be open two days a week, Monday and Tuesday, between 9 a.m. and 5 p.m. for the issuance of drivers licenses and other business connected with the department.

In the past, the office has been open only on Mondays but the added day was arranged to provide increased service in this area.

TAKES FAMILY SOUTH

G. E. Lewis was home from Needles, Calif., this week to return to that city with his wife and son, Courtney. Lewis is employed with his volume of equipment in the construction of a Ford Motor Company installation near Needles. He plans to be on that job for another couple of months before returning to Truckee for the summer.

In City—

Mrs. Nat Quilici and Mrs. Fred Pedley were visitors this week in San Francisco.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS)—So much feeling has been engendered over the proposals of William A. Burkett, director of the state department of employment, in his effort to cut down fraudulent payments of unemployment insurance through substantive revisions of the law governing such payments, that it may be well to examine minutely just what the proposals are.

First, Burkett points out that $1 out of every $5 paid to unemployed workers, goes to a person not entitled to such pay. Considering the fact that $148 million was last year's pay-out, this brings the total up to nearly $30 million as the amount going down the drain-pipe each year.

First and most important, the Burkett program suggests raising the base period pay on which unemployment insurance payments are based, from the present $300 to not to exceed $800. Such action by the legislature would, in effect, cut out the largest percentage of so-called fraudulent claims, merely by requiring that the claimant earn more money to qualify for benefits.

Under the present system, many chiseling claimants who dub the insurance as "rocking chair money," have it all figured out how they can work part of the year, and live off the fund the rest of the year.

Labor lobbyists will strenuously oppose this proposed increase, pointing out that it will hit a large number of seasonal workers in California's food packing establishments, who at the present time are being subsidized by the unemployment insurance fund.

Next on the program, the department now proposes a 10-week postponement of unemployment insurance benefits when the claimant quits employment voluntarily and without good cause. Many employers, who pay the unemployment insurance tax and find their rates increased because of voluntary quits, fail to see why an employe who chooses not to work should be entitled to unemployment insurance at all.

Another suggestion by the department is a 10-week postponement plus a 10-week postponement plus a ten-week cancellation of benefits when the claimant is discharged for misconduct connected with his work. Present penalty is a five-week postponement, but no cancellation. Here the employe is protected through previous decision of the unemployment insurance appeals board, which are definitive of misconduct.

Again, a 10-week postponement, plus a 10-week cancellation is suggested when the claimant refuses suitable employment. A five-week postponement only applies at the present time. Here too, the employee is protected by definitions, and it appears unreasonable to pay out public monies to people who don't want to work.

A 13-week postponement, plus a 13-week cancellation for people who wilfully make false statements, or wilfully fail to report material facts, is another suggestion by the department. Present penalty is a five-week postponement of benefits only, with an additional eight-weeks for successive violations.

Extension of the time the department can recover fraudulent payments from one year to two years is requested, as well as a minimum fine of $100 for persons convicted of fraud, plus forfeiture of all rights to receive benefits for 52 weeks following the date of conviction.

The department has not neglected legislation affecting the chiseling employer either, as amendment propose to tighten up on employers who fail to pay their taxes.

There are many other suggestions, all of which will create tremendous controversy when the legislature consider the bills, and even if a few of them are adopted, perhaps some of the wasted money will be retained for a time of stress, for which unemployment insurance was adopted.

State Line Resort Is Purchased By Harrah's

Harrah's Club, Inc., of Reno, has purchased the George's Gateway Club at Stateline, Lake Tahoe, at a price "in excess of half a million dollars, according to George Cannon, the former owner. Included in the same deal was Tony's Club at Stateline and the Stateline Trailer Court.

TAHOE TOPICS

by JEANNETTE MITCHELL

Through a public notice we find that an application has been made to the office of the Corps of Engineers, U. S. Army, Office of the District Engineer, Sacramento District, by Mr. Fred Hintz, Bakersfield, for a department of the army permit to construct a pier in Lake Tahoe, just south of Tahoe Pines. A permit issued by the Department of Army does not give any property rights, either in real estate or material, or any exclusive privileges, and does not authorize any injury of private property or invasion of private rights.

Birthdays are in the air and one of the occasions is the observance of one of our old timers, Ernie Pomin of Tahoe Pines, Sunday feted his 75th birthday. Ernie has lived with but very few exceptions, all those years upon the shores of Lake Tahoe. This coming October will find him having spent 50 years on the same job, so Ernie is setting quite a record. Coming up from Sacramento to help him celebrate this milestone of his interesting life was his daughter, Mrs. Vivian Sabonge, and his grandchildren, Dick and Maryln; Jack Lindsay with his two friends, Gloria Ray, also of Sacramento. Everyone enjoyed a wonderful time—even the weather seemed to be helping Ernie celebrate for it was a real spring day. Many, many happy returns, Ernie.

Mother and Daddy Roy Stark really had their hands full over this past Saturday and Sunday too for they feted another triple birthday and a wedding anniversary for their children. Alberta, Harold and Bobbie all enjoyed birthdays so close that it was real fun to make a nice big affair of it, while Alberta and Bob celebrated their sixth wedding anniversary. Yes, it was a happy household. Harold and Mary Stark with Mary Ann and Darryl, Rome and Elaine and daughter, Rolaine, came up from Davis to join in with festivities. Congratulations and happy birthdays.

Hear from very reliable sources that another old timer will be joining our midst again, Glen Greene, now of Pasadena, but former manager of Tahoe Tavern, will be going to Globin's Al Tahoe this season.

The Women's Club of Tahoe held a Valentine social meeting and luncheon at the Tahoe Inn on February 3. Everyone of the 19 ladies present were pleased with the lovely favors and decorations made by Mrs. Dick Lavery of Kings Beach and Mrs. Tom Sheehan of Lake Forest. Beulah Carnell feted her birthday at the same time, having a lush Leonard Bury birthday cake presented to her at the luncheon by her friend, Blanche Donaldson. Several tables of cards were enjoyed after the luncheon. The next social meeting will be held at the Pfeifer House where the ladies will enjoy luncheons. That will be March 3 and everyone is looking forward to a very enjoyable afternoon with a surprise program in store for all.

Just heard our friend Beulah Carnell had a surprise birthday party given by her daughter-in-law, Mazie Carnell, Thursday night. Jean Henry, Pat Vanni, Albert Stark, Bobby Jackson, Tessie Anderson, Mazie Carnell and the guest of honor, Beulah, enjoyed several games of canasta.

Received a hasty but interesting postal from the Howard Guths today—their first stopover in Mexico they were having a good trip after spending two days in Las Vegas with Harry Mead. They were writing from Hermosillo, Sonora, Mexico, and headed for a few days fishing at Guaymus. The Guths are headed for Mexico City.

The P.T.A. spring program of 1955 is well shaped and in order. February 17 wil be the Founders Day program at 2:30 p.m. Guest Speaker Mrs. C. Patnoude, public health nurse with a program by the second, third and fourth grades. March 18th come in old style, 8 p.m. Dress prizes, games and folk dancing. April 21, luncheon meeting surprise contest. May 19, social drama, 8 p.m. meeting; fifth and sixth grade program. Officers of the Tahoe Lake P.T.A. are president, Mrs. Herbert Obexer; vice president, Mrs. Clarence Schrader; secretary, Mrs. Ronald Grimstead; treasurer, Mrs. Jay Shontz.

Don't forget the annual hatchet hop held Saturday night at Tahoe Inn. Good orchestra, so all will have a gay time along with helping the Squaw Valley-Lake Tahoe Ski Club raise some monies for the racing competition fund. Friday night, February 11 there will be a regular meeting of the club held at Squaw Valley.

There will also be a Lake Tahoe Sierra Chamber of Commerce board of directors meeting held Friday noon, February 11 at the Sierra Lodge, Crystal Bay, Nev.

Hear that the Granlibakken skaters pond is in fine shape and that Mrs. Haley was out there enjoying it to the fullest.

Congratulations to the Truckee Chamber of Commerce's new president—a very capable young man, Mr. Hal Welch.

And that about rounds up the news for this week my friends. I am sorry to have to say goodbye to you at this time as it will be my last news writing to you, but doctor's orders are to get out of the altitude for awhile and though I may hie to the low lands my friends, my thoughts will always be with you here at Tahoe where I have spent 30 odd years. Time will have to be reckoned with but unlike MacArthur—I do not intend to "just fade away"—I will be back. At this time I do not know who will take over your news from Lake Tahoe area, but there is always someone just a wee bit better that carries on, so good luck and God bless you one and all.

Sincerely,
JEANNETTE MITCHELL

Mr. and Mrs. Kenneth Steddom of Tahoe City returned last week from a trip south, including a stay at Santa Barbara.

Mr. and Mrs. F. A. Kilner, summer Tahoe City residents, are now living at Laguna Beach after traveling for several months.

NORTH TAHOE

By JUDGE HARRY CHARRISON

What a weekend this has been at North Tahoe, weather beautiful, roads ditto, lots and lots of ski fans, about ten buses, young people up and down the road snowballing and having the time of their lives. One young man at 7 a.m. this morning said, "What a winter wonderland this is, never seen anything like it." He hasn't seen anything yet, wait till he comes back in the summertime, which he said he was going to do. You know winter sports and fishing are agreat preventive for juvenile problems. Let's encourage it all we can.

Who should I run into today but Karl Harried. He tells me that he is back to stay. Karl and Mrs. Harried have sold their restaurant in Stockton, and are mighty glad to get rid of the fog and disagreeable weather. They are the parents of Joy Plunkett of Crystal Bay, and have a home at Tahoe Vista.

There will be a meeting at Sierra Lodge, Crystal Bay, on Friday the 11th of February and lunch will be served at noon for the Lake Tahoe Sierra Chamber of Commerce.

Now we are told that CalVada Lodge, which Joby Lewis recently sold, is about to have extensive alterations made, which will add greatly to the convenience of its patrons. We are told also that the new owners plan to stay open all year round. If this is so it will be appreciated by the local folk.

Lee Madden has taken over Stevenson's Chevron Station at the bottom of Brockway hill in Kings Beach. Lee was formerly with Walt Bailey until last spring, at which time he went with Stevenson. He took over February 1 and we wish him every success in his new venture.

Bob and Mrs. Smith of the Tahoe Food Center, Kings Beach, are presently living in Reno. Roy and his wife are in charge of the store here.

Andy Sorensen is still as cheerful as ever, but has to wait until February 22 at which time his doctor will be back, and then we are all hoping for good news that his sight will be restored somewhat. Good luck, Andy.

Charlie and Rena Matthews of Rustic Cottage are certainly getting around. They tell us they have been to Santa Barbara, Palm Springs, Pomona and are making their way back to Palo Alto, and it won't be long and they will make for home in Tahoe Vista.

'Member the cute and up-to-date Riviera shop that was in the Ashton building in Kings Beach during the summer? Well the owner of the business has just returned from his home in San Francisco. He is John Palmer and has brought his wife, Jeanette, and daughter, Joan, along because I understand they wish to make their home here. Who would blame them, I ask you? And what's more, they intend to open up in the very near future. This community is getting to be more like a city all the time, and we certainly welcome the Palmers.

A V.F.W. benefit dance, with buffet will be held at the Crystal Bay Club on Friday, February 18. The officers extend a welcome to each and everyone that can possibly make it.

Kenny Riley was up here for a few days staying at Bonnie Barnett's, during the past week. Kenny was working here during 1953 and he is now in the armed service, and will be leaving for Europe in a few weeks.

The March of Dimes vaudeville show sponsored by Tom Lucas and Ray Plunkett was a huge success The amount donated is not known at the moment. Tom must be complimented for donating the use of the Brockway Theater. It was a very fine show and for a most worthy cause, which has grown by leaps and bounds since it was started some years ago. The donations at the Crystal Bay Club have been growing steadily and it is quite a sight to see the counter just covered with the silver dimes. Drop in and see them and it will do your heart good, especially if you add a few to the collection.

Mrs. Dodd tells me that Russell and Mrs. Elder have returned from Palmdale, and are going to Reno to make their home for the time being, but are hoping for a big movement in building at Kings Beach. Alta says they couldn't work at building in Palmdale on account of snow and decided to come back to this area where the weather is always good.

Well I guess I'll have to admit it, but the Miedemas have gone to San Pedro where Arnold was transferred from Truckee quarantine station to the harbor. He has been away about four weeks, but being unable to believe it, did not report it before.

IN EUROPE

SODA SPRINGS—Dick Buek, former Olympic ski champion and a hopeful for this year's Olympic team, is currently serving with the 70th Engineers of the U. S. Army at Camp Saalfelden, Austria. Efforts will be made to have him returned to the U. S. for the tryouts in New Hampshire next month.

CLUB TO MEET

TAHOE CITY—The next scheduled meeting of the Squaw Valley-Lake Tahoe Ski Club will be held at Squaw Valley Lodge tomorrow (Friday) evening at 8 p.m.

Telephone call saves farmer $400. Gus Holman, pointing above, of Butte Four Corners, Calif., is a farmer who really values his telephone. Not long ago, he and his brother needed a tractor fast. They couldn't find one nearby at the price they wanted to pay. So they went to their telephone. With one call, they found just what they needed . . . at a saving of $400. Cost of the call: only $1. "Our telephone pays us back a lot more in time and money saved than it costs us," says Mr. Holman. And that's the aim of telephone people everywhere—to bring you the good service you need to get things done . . . and to bring it to you at low cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY

Kindergarten: On our bulletin board are original cut-paper designs by Timmy McLane, Danny Whiteneck, Jean Gough, and Lenny Vind.

First Grade (Mrs. Bissett's): Our first grade is learning to tell time. We have already learned to discern the hour, the half-hour and minute past the hour in terms of five.

Fiirst Grade (Mrs. Croxen's): We are getting ready for Valentine Day in our room. We have been learning how to make Valentines.

Second Grade: In arithmetic we are reviewing our addition and subtraction facts. We played two games using them. Gary Sturcke's team consisting of Salvadore Cabrera, David Soroni, Norine Wunsch, Terry McKurtis and Jimmy Roth won the first game. Norine Wunsch's team consisting of Marcia Leamon, Judy McGwinn, Kenneth Taylor, Jimmy Roth, Mike Ingalls and Skippy Petersen won the second.

Third Grade: Robbie Kaspian is clerk at the store this week. His assistant is Bobby Frates. They put on all the prices. Carol Gracik and Daphne Robichaud are in charge of the bulletin board and displays.

Fourth Grade: We are learning the steps involved in solving a story problems. We know that certain words help us and that we work from smaller numbers to larger ones in adding and multiplying while it is just the opposite with substracting and dividing. In our first test, Janice Eaton, Gene McGihon, Dennis Whiteneck, Janice Stewart and Fred Steele were in top place.

Fifth Grade: at present we are engaged in a series of standardized progress tests in arithmetic precesses and problem solving.

Sixth Grade: Ruth Parkhurst. Nicky Stone, Mike Kaspian, and Douglas Single received perfect papers in arithmetic.

Last Wednesday we listened to a talk by Luther F. Gilbert, criminal investigator for the United States Treasury Department. His subject dealt with law enforcement aspects of alcohol and narcotics. The talk was very informative and interesting.

Friday Dr. Ben R. King spoke to the class on the effects of alcohol, narcotics, and tobacco on the human body. Dr. King provided many answers to questions which our research failed to reveal.

Judy Giovannoni, Elethia Marquis, Clark Kidd, Ronnie Borden, Doug Single, Drew Weyman and Nick Stone were responsible for the engagement of these speakers

DONNER TRAIL

Last week we saw a movie showing how all the boys and girls and grownups from all the countries south of the Rio Grande live. Both older and younger groups of children enjoyed this film as we have been studying how people live in the United States as well as in South American countries.

Later we showed a picture on how to make butter.

KINGS BEACH

Second and Third Grades: Susan Lucas brought a pair of Dutch shoes and Carol Franklin a Mexican doll to our social science exhibit.

The third grade was studying division in arithmetic last week.

Fourth, Fifth and Sixth Grades: Gary Wing celebrated his birthday by inviting all the boys of his class to his home. The boys enjoyed the party.

David Decker celebrated his tenth birthday with a party for his classmates at his home.

The class was sorry to hear of the accident which injured Mrs. Julia Gonsalves and wrote wishing her a speedy recovery.

Kindergarten and First Grades: This week we are working on calenders for February. Steve Felte brought a picture of Lincoln which we put up for all to enjoy.

TAHOE LAKE SCHOOL

Kindergarten—First Grade: Stars for 100 per cent in the vocabulary test in the first grade went to Cathy Conners, Dale Mitchell, Julianne Bechdolt, Jeff McLane, and Susan Wright.

Second, Third and Fourth Grade: We studied about Abraham Lincoln, learned about his life and we made pictures of him.

Last Friday night we gave a Valentine dance and invited as our guests the fifth and sixth grades of Truckee Elementary School. The auditorium of our school was decorated with a Valentines theme. Ellen Rich, Albert Gelmstedt, Steve Randal, Jo Ann Pomin, and Diane Horvath were the members of the decoration committee.

Our next P.T.A. meeting will be on Thursday, February 17, at 2:30 p.m. There will be a Founder's Day program and in addition to this, Mrs. Preston Patnoude, health nurse, will be the guest speaker. The second, third and fourth grades of Mrs. Farr's room will present a short program.

CUBS PROMOTED AT LAKE MEET

KINGS BEACH—Last week Cub Pack 31 of Kings Beach had their January pack meet. On this evening Donald Decker and Raymond Hill were inducted as Bobcats. James Schrader, Robert Ford, Kenny Bailey, David Decker and Kris Felte received their respective awards.

Steve Randall, Richard Parr, and Curtis Draney were awarded their Webelos badges. A candlelight advancement ceremony was held for the Webelos going into the Boy Scouts. The Webelos wore full Indian regalia they had made. Jack Felte, Cubmaster, examined Richard, Curtis and Steve for this advancement. Lee Madden, Scoutmaster, and Troop 31 were present to accept these boys.

The many exhibits for the railroading theme of the month were on display for parents to see. One of the prize exhibits was a miniature train of four cars made by the committee, later donated to the primary class of Kings Beach Elementary School for their use.

The committee present were Den Mothers Mrs. Pauline Schrader, Mrs. Gen Ford, Mrs. Kay Felte; committeemen, Durward Ford and E. E. Thompson.

Many deep-ocean fishes are equipped with light organs, or

PTA TO MEET

KINGS BEACH—Election of officers for the coming year will be the order of business at the meeting of the Kings Beach Parents and Teachers Association to be held at 8 p.m. on Thursday, February 17 in the school building.

Further discussion of aid in the scholarship fund and the teachers panel with the following question and answer period will be held before serving refreshments.

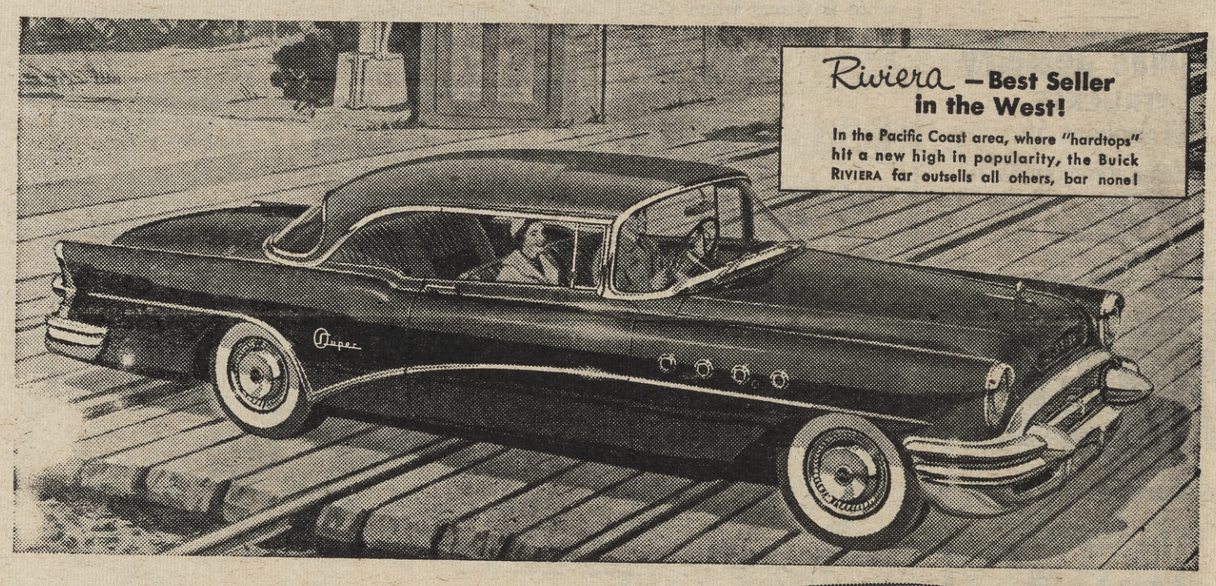
Even the bumps are smoother in the '55 Buick ride



Riviera — Best Seller in the West!
In the Pacific Coast area, where "hardtops" hit a new high in popularity, the Buick RIVIERA far outsells all others, bar none!

To be honest—there are some bumps which *nothing* will level out completely.

Yet even the real rough ones turn out a lot smoother when you're in a 1955 Buick.

And that's not just our say-so. New owners of these new beauties keep telling us that.

So you may wonder—how come? What's different about the Buick ride that makes it such a marvel? The answer is—plenty.

Most cars have coil springs on front wheels only. Buick has them *all around*—and this year they're newly calibrated for even deeper smothering of jounce and jar. So here your ride is balanced, buoyant, level, serenely smooth.

Most cars drive through the rear springs. Buick drives through a *torque-tube* that takes up all driving thrust, wipes out rear-wheel wiggle and wag, steadies your going to a sure and solid track.

And no other car in all America has these great comfort extras *plus* the backbone of a massive X-braced frame *plus* both direct and lever-type shock absorbers to snub after-bounce *plus* a special front-end geometry to stabilize "cornering" *plus* tubeless tires on extra-wide rims for softer, steadier riding.

Local Delivered Price of the 1955 Buick SPECIAL 2-Door, 6-Passenger Sedan, Model 48 (illustrated) $2627.00
Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster—$81.70; Radio & Antenna—$92.50.

Surely, you owe it to yourself to *try* this great Buick travel, just to judge things for yourself.

You'll find it the nearest thing to velvet on wheels—and made even more so by the silkiness of record-high V8 power and the absolute smoothness of Variable Pitch Dynaflow.* Come visit us this week—for sure.

**Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.*

Tavern Owner Sued By Wife In Bay Area

Fred Ichelson, manager of Tahoe Tavern at Tahoe City, was sued for separate maintenance this week by his wife, Myrtle, who charged him with cruelty and asked to be awarded $2000 a month for herself and their two children.

Mrs. Ichelson alleges there is community property worth about $375,000, including stock in the Tahoe Tavern Resort Company. She says her husband earned more than $24,000 a year.

They were married in 1939 and separated early last month.

Employers Warned To File State Wage Report

Robert C. Kirkwood, chairman of the franchise tax board, announces that it will be permissible for employers to file copies of federal form W-2 instead of state forms IT599 to report wages of their employes only if they clearly indicate on the W-2 whether the employe is single or married. Information returns for 1954 must be filed for all single employes who earned $2000 or more and for all married employes who earned $3500 or more.

State summary form IT596 must accompany either forms IT599 or W.2 and are to be filed on or before February 15, 1955.

Employers are requested to mail the forms to the franchise tax board, Sacramento 14, whenever possible.

Gain In Registration

SACRAMENTO (CNS) — The state department of motor vehicles today reported that the number of California registered vehicles totaled 6,158,000 at the end of November, 200,000 more than one year earlier.

Drivers licenses outstanding 6,250,000, a gain of 264,000 over November 30, 1953.

Monkey Island in the San Francisco Zoological Gardens is modeled after the famous Brookfield Zoo in Chicago.

now for Olympia!

ACTION DELAYED IN PIER DISPUTE AS STUDY MADE

The California state lands commission has deferred action on a proposed schedule of rental charges for wharfs and piers in Lake Tahoe, pending possible new legislation.

The commission instructed its staff to prepare a memorandum on the matter, which has been the subject of a controversy for more than a year, to acquaint the legislature with the need for laws clarifying the situation.

The lands commission staff a year ago began charging rental fees for recreational and commercial structure permits based on the value of that portion of the structure occupying the water in the lake. Various owners objected and further rental charges are held up by the commission action.

Attorney Marion Plant, representing Mrs. Esther Dollar of San Francisco, one of the pier owners at Lake Tahoe, expressed a doubt the commission has the power to levy the rentals, which he termed "in fact, a tax."

Don Huff, a Lake Tahoe resort owner, said that land owners there feel the lands commission is singling out this lake for a new policy of pier rentals and are fearful of the possibility future charges will be excessive.

FLASHING LIGHTS ON SCHOOL BUS MEAN CARS STOP

SACRAMENTO — Flashing red lights on a school bus means "stop."

This warning was reiterated today by the California Highway Patrol as they reviewed the record of citations issued during 1954.

"Although speed and driving too fast again led in the number of violations cited, there was an increasing number of drivers who seemed to misunderstand the school bus law," Patrol Commissioner B. R. Caldwell declared. "The law requires motorists to stop when approaching a stopped school bus with red lights flashing and, to wait until the red lights stop flashing before proceeding.

"During 1954 the patrol cited almost 1700 motorists for failing to heed the flashing red lights on stopped school buses," the commissioner continued. "With slightly different circumstances each of these violations could have taken the life of one or more school children.

"The law is plain and requires all drivers approaching from either direction to stop when meeting a school bus with red lights flashing. The only exception is when the bus is on the opposite portion of a divided highway. Obey this regulation and help us protect our school children," he concluded.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

February 5, 1955

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Donner Lake Coffee Shop, s|s Hwy. 40, E end Donner Lake, Nevada Co.

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance on original application of an alcoholic beverage license for these premises as follows:

On Sale Beer

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

CHURCH NOTES

Rev. Wesley Osman announced that a Valentine party will be given February 14 with members of Truckee and Kings Beach M.Y.O. taking part. The program will start at 7 and conclude at exactly 9 p.m.

Family nights will be held on the third Friday night of each month with February 18, beginning at 6:30, scheduled for an informative and pleasant evening. Discussion of Christianity in the family, a potluck supper, games and singing will round out the meeting.

Rev. Osman will speak on the Bible and peacemaking on February 13, followed by testimonies of peace on February 20 and Jesus the Peacemaker on February 27. All are invited to attend the services at the Methodist Church.

LOCAL SCHOOL IS WINNER OF SKI MEET AT TAHOE

Following up their sensational Alpine events victory at the Reno Invitational, the Tahoe-Truckee High School ski team came from behind last Saturday to win the Nordic Combined tournament sponsored by South Tahoe High School. Besides the host South Tahoe team, the local triumphed over Reno, Placer Union and last year's champion, Leevining.

Leevining jumped off to a lead by winning the cross country team event. Led by their strong langlauf men, Johnny Murphey and Don Donnelly who turned Sheldon Varney's three-mile grind in 22 minutes, 6 seconds and 22 minutes. 37 seconds, respectively to place first and second, the Leevining squad beat out the Wolverines by a scant 2.24 percentage points Tahoe-Truckee skiers placed as follows in the cross country. Kit Schull, third; Lewis Fellows, fifth; Fred Wofford, sixth; Gary Anderson, seventh and Dick Mandeville, eighth.

In the afternoon jumping event, held on South Tahoe's new Bijou Hill, it was a different story.

Leaping with precision and team-work, the Wolverines, copped a first, second, fifth, sixth and thirteenth to win handily over second-place Reno high by eleven and a quarter percentage points Leevinning was third, only a scant 100th of a point behind Reno The winning margin in the jumping event easily gave the Tahoe-Truckee team a combined Nordic event victory.

The Tahoe-Truckee team again led by Captain Fellows, local Olympic hopeful, exhibited their usual spirited teamwork in coming from behind to win. Besides, Fellows, a lot of credit must be given to the other consistent point getter, Dick Mandeville, Gary Anderson Kit Schull, Fred Wofford and converted basketballer, Jim Harris.

LaVern Hocker, now working at Chico, was fined $300 when he appeared last week before Judge F W. Wilson on a charge of permitting a minor to drive without a license. He was represented in court by Attorney Francis Robichaud.

Attended Last Rites—

Mrs. Walter Haug of Sugar Bowl flew to Chicago to attend the funeral of her father, held there on Tuesday.

Open Motel—

Mr. and Mrs. Lloyd Stanbraugh came back from Sacramento and have reopened their Donner Lake motel.

Your Chamber Of Commerce

From the President's Desk

Nature gives cities opportunities. But it is only the intelligence and energy of men that make them great. Communities just don't happen, cooperation builds them. You will be approached this week by our membership committee, who have your membership cards ready for you. Let's all cooperate and make this year's membership drive the most successful ever. But don't stop there—just paying dues is the easy way out—come out to our meetings, where we can hear some of your ideas — and you ours for a bigger and more prosperous Truckee area. Remember Tuesday, February 15 at Brown's Cafe, 6 p.m. is our next meeting night. Some of the items on next Tuesday's agenda are: 1960 Olympics, Community Hall, Ice Rink and Ski Jump, July Boat Races, these and others which are of interest to all.

——*

Remember my dream last week —I have have an extension to add—Wouldn't the appearance of our main street be improved if all the poles and wires were removed? (telephone poles that is) and a half dozen new lights installed, similar to those now found at Gateway—(it is possible).

——*

I have been informed of a project undertaken by our 20-30 Club that I believe deserves the support of all of us. They would like to see installed a yellow warning signal across main street where our school children cross three times each day during our school year. With the increased number of autos now on our streets and highways this is a very definite need as an added safety precaution for our youngsters.

——*

There will be an open meeting for the purpose of discussing our fish planting program for the 1955 season at Capitol Hall—Thursday, February 7, at 7:30 p.m. Let's have everyone who is interested in fishing and sports in this area out at this very important meeting. Representatives of the fish and game commission will be present to answer all your questions.

—Hal Welch

FELLOWS LEADS IN MEET AT EDELWEISS

Lewis Fellows, 17-year-old Lake Tahoe ski champ, and Cathy Zimmerman of Reno, Sunday took top honors in the divisional junior giant slalom at Edelweiss. It marked the third time that each has scored individual triumph in the annual event.

Fellows, an Olympic prospect, was clocked at 1:54, a spectacular speed for the mile and two-tenths course, controlled by 40 gates.

Other local winners included: Class 1, Dick Mandeville, Tahoe: Fred Wofford, Soda Springs; Gary Anderson, Squaw Valley; John Robinson, Squaw Valley.

Girls—Class 1, Mary Ann Tonini. Truckee.

Boys—Class 2, Kit Schull, Squaw Valley;; Jim Harris, Truckee.

Boys—Class 3, Jim Huega, Squaw Valley; Douglas Ball, Squaw Valley.

Boys—Class 4, Trent Giannini. Squaw-Tahoe; Strohm Woodard, Truckee; Kenny Wilson, Squaw-Tahoe; Randal Pomin, Tahoe;; Bill Gorham, Tahoe.

Girls—Class 4, Lilly Cushing Squaw-Tahoe.

Boys—Class 5, Greg Moore, Tahoe.

Girls—Class 5, Sandy Fellows Tahoe; Binth Rustad, Tahoe.

Mrs. Wing Makes Fast Trip To Attend Session

Mrs. Katherine Wing who was delegated to attend the teachers retirement meeting in Sacramento last Wednesday as a representative of the Tahoe-Truckee Teachers Association had a long and hurried time to make connections and not miss teaching the second and third grades.

Mrs. Wing taught her class as usual on Wednesday, caught the 3 p.m. bus out of Truckee in time to attend the meet in Sacramento She arrived back home early Thursday morning to assume her position in school. She plans to make a report to the group on the session on February 15 in Truckee.

Mr. and Mrs. James Leamon of Grass Valley were Sunday visitors at the Robert Leamon home.

BASKETBALL

Continued From Page 1

the season, led the local scorers with 10 points.

Saturday night the Tahoe-Truckee squad got off to a good start and only trailed the Braves by 5 points at the end of the first period, 11 to 6. But the second quarter saw the home team speed up their play and shooting as they took a commanding 32 to 16 lead at the intermission. In the third period it was much the same story as the Stewart five ran the count to 44 ot 28 and the Wolverines were never able to make up the difference during the final quarter. Jack Van Hooser led the Wolverine scoring with 15 points, followed by Doug Wilson with 11.

The Tahoe-Truckee Cub put out their finest weekend of basketball as they picked up two wins over the weekend. Friday night the Cubs pulled one out of the fire in the final period ot defeat the Douglas Juniors, 40 to 37. It was a tight ball game all the way as the lead changed hands with almost every bucket. Douglas led, 8 to 7, at the end of the first quarter, but the Cubs came right back to lead 17 to 16 at halftime.

The third period belonged to the visitors as they ran up a seven point lead that gave them a 31 to 24 bulge. But with Jim Allen, Floyd Cooper and Doug Cooke all accounting for scores from the field and the free throw line in the final period, the Cubs pulled ahead with five minutes left to play and finished up with a well-deserved 40 to 37 win.

Saturday night's game with the Stewart Junior Varsity was much the same story for the Cubs, except for the fact that they meant and defeated a much stronger and faster team. The lead once again seesawed back and forth during three and a half quarters of play before the Cubs pulled into a comfortable lead, and a resounding 46 to 41 win. Ken Vaughan with 18 points and Jim Allen with 16 were the big scorers for the locals, with fine help from Bob Trask, Doug Cooke, Floyd Cooper and Ken Osburn.

Friday—Lovelock, here.
Saturday—Reno, there.

Gary Wing Celebrates Birthdate With Party

KINGS BEACH —Gary Wing celebrated his ninth birthday on February 3.

Sixteen children helped Gary, son of Mr. and Mrs. Otis Wing, celebrate the occasion at Wing Chateau. The group played games prior to dinner and prizes went to Bud Robertson, Paul Franklin. Janice Wing, Raymond Hill and Richard Parr. A beautifully decorated cake, made by Jack Stewart of Truckee Bakery, was enjoyed by all.

Attending were Dickie Cinani, Curtis Draney, David Mills, Denis Ludlow, Raymond and Jerry Hill, Rickey and Timm Molsberry, Bud Robertson, Richard Parr, Paul Franklin, Nikki Ann, Vern and Janice Wing and Mr. and Mrs. Otis Wing.

BIRTH DATE OBSERVED

Lyle Wescoatt observed his birth date yesterday by going home from the hospital where he was treated following a recent accident.

Tarzan®

by EDGAR RICE BURROUGHS

BEFORE TARZAN AND THE PIGMIES HAD A CHANCE TO BAIT THEIR TRAP, THE COLOSSAL *NIGHT MONSTER* SPRANG INTO VIEW!

THE PIGMY WARRIORS SYNCHRONIZED THE HURLING OF THEIR ASSAGAIS, HOPING AT LEAST TO DETER THE DIABOLICAL CARNIVORE AS IT STEALTHILY MOVED FORWARD.

BUT IT WAS ONLY FURTHER INCENSED BY THE WOUNDS AND LASHED OUT WITH VENGEANCE-RAKING TALONS!

TARZAN SAW A SLIM CHANCE TO STOP THE SLAUGHTER AND SWUNG INTO THE TREE, GRABBING THE LARGE SPEAR FOR ADDED WEIGHT.

DICK VAN BUREN JOHN CELARDO 2-13-1949

SWIFTLY HE CUT THE BONDS THAT KEPT THEM SUSPENDED...

...THE TIMING WAS PERFECT AND THE PRIMITIVE MISSILE IMPALED ITS GIGANTIC BLACK TARGET. THERE WAS A BRIEF, EARTH-SHAKING SCREAM AND THEN SILENCE--THE *NIGHT MONSTER* WAS *DEAD!*
